...och i datorn - REKlistan.vgregion.se

The screenshot shows the desktop version of the REKlistan website. The header is dark blue with the text "REKlistan" on the left and "Tyck till" on the right. Below the header is a search bar with the placeholder text "Sök". To the left of the main content area is a vertical navigation menu with the following items: "Alkoholberoende och nikotinberoende", "Allergi - Andning - ÖNH", "Barn och ungdom", "Blod", "Diabetes", "Endokrinologi", "Fysisk aktivitet", "Gynekologi", "Hjärta - kärl", "Hud", and "Infektion". The main content area features the logo for "VÄSTRA GÖTALANDSREGIONEN" at the top. Below the logo, there are sections for "Nyheter" (with a link to "Nyheter finns på vårdgivarstödets webbplats") and "Övrigt". The "Övrigt" section contains several expandable items: "Substans", "Biverkningsrapportering", "Regionala terapigrupperna", "Dosexpedition", "Regionala medicinska riktlinjer", "Kommunala akutläkemedelsförråd", "LUPP - Läkningsupplysningen", and "Läkemedelskommittén".

The screenshot shows the mobile app interface of REKlistan. The top status bar displays the time as 19:57, battery level at 70%, and signal strength. The main content area is a dark-themed list of items. At the top, it says "Nyheter finns på vårdgivarstödets webbplats (extern)". Below this is a section titled "ÖVRIGT" which contains the following items: "Substans", "Biverkningsrapportering", "Regionala terapigrupperna", "Dosexpedition", "Regionala medicinska riktlinjer (extern)", "Kommunala akutläkemedelsförråd", "LUPP - Läkningsupplysningen", and "Läkemedelskommittén". Below these items are three more options: "Om digitala REKlistan", "Tyck till om digitala REKlistan", and "Om REKlistan". At the bottom of the list, under the heading "INSTÄLLNINGAR", is the option "Uppdatera data" with the subtext "Senast uppdaterad för 13 minuter sedan". A yellow arrow points to this "Uppdatera data" option. The bottom of the screen shows the version number "REKlistan v1.11".
